### EXECUTIVE EXPERIENCE

Kate Burda & Co- CEO and Founder  
Hone Ventures- CRO

2015–Present

Accelerated revenue via instituting commercial strategy that drives performance within profitable growth segments and the commercial enablement (sales, marketing, pricing, and customer success teams) to optimize performance. Serving investors, boards, and their teams to build and implement initiatives immediately increased pro forma top-line growth and investor value. Representative client successes include:

#### Developed, Designed and Implemented Revenue Strategy for a two MarTech Companies.

- **Positioning of Brand:** Redesigned Brand focusing on the deeper organizational 'why', customer and market growth value, and unique value proposition that was the foundation that drove the go-to-market strategy.
- **Marketing Strategy:** Has proven methodology and has built numerous go-to-market strategies that incorporate all facets of marketing, from public relations to content creation, community building, and personalization within the digital landscape, incorporating the omnichannel experience.
- **Tactical Digital Footprint:** Deep experience in marketing "Tech Stack" from the website (from development to optimization), SEO, SEM, content development and outreach, marketing technology, to CRM enablement and usage.

- **"Most Valuable Customer" messaging and outreach:** Creating targeting messaging that is customized to the 'most profitable customer' that creates differentiation and relevance.
- **Stakeholder Engagement:** Worked alongside C-Suite to co-create a 'vision-to-value' implementation plan building team, resources, technology enablement, and team development.
- **Iterative design and development:** Designed marketing and sales approach that aligned with growth strategy and operational-business design.

#### Built out a commercial strategy of sales and marketing across global footprint

- **Deep Strategic Dive:** Investigated all aspects of sales, marketing, revenue management, revenue strategy, revealing key opportunities for exceptional growth with new framework and focus.
- **Customized and Comprehensive Strategy:** Re-engineered sales and marketing methodologies and integrated sales and revenue management to focus on Most Valuable Customer segments within hotel properties.
- **19% Revenue Penetration:** Crafted innovative marketing structure and branding at enterprise level that increased customer conversion within sales pipeline. Optimized global distribution systems (GDS), connected to guest prospects earlier, and converted more prospects sooner along inspiration-to-purchase timeline.
- **\$12m+ Immediate Revenue Impact:** With new sales strategy in place, company captured profitable contract to manage distressed hotel.
- **Employee Engagement:** Designed revenue onboarding process and elevated new employee contributions and effectiveness, resulting in increased employee retention and employee turnover.

#### Turn around key assets in gateway geography in 7 months, for +14 basis points of YOY revenue growth.

- **Achievement of Investor Financial Goals:** Turned around RevPAR (Revenue Per Available Room) property performance +14 points to 103% and revenue growth index (RGI) from negative to +67 jump.
- **Investment in Innovation:** Introduced novel programming, going beyond poorly performing yet persistent recommendations (not to mention excuses) from revenue management and sales functions.
- **Benchmarking and Goal Setting:** Investigated status and improved revenue trifecta of sales, marketing, and revenue management (commercial team); determined to elevate institutional knowledge, skill development, and strategy construction, overlaying revenue optimization plan onto narrow attention to profitable market segments.

#### Built competency benchmarking and sales, marketing, and revenue modeling for global consumer product company.

- **Leadership Mindset:** Challenged leadership to calculate impact (not raw activity) as primary metric of goal attainment, guiding management to refocus teams toward relevant customer engagement.
- **Gap Analysis:** Uncovered deep gap between perceptions of team competencies and on-the-ground reality, opening opportunity to match new skills attainment with customer / market expectations, and imbuing strategy with practices gleaned from best-in-class organizations.
- **Competency Benchmarking and Development:** Worked within industry norms to customize competencies for all roles and functions; defined different and better habits for teams to achieve superior levels of performance.
- **Culture Shift:** Curated programs that increased retention among revenue teams as well as were implemented from C-suite through field teams, as organization transformed business from physical goods to digital offerings.

#### Captured white-labeled hotel's unique and compelling market value with emphasis on customer expectation.

- **Reveal of Culture-Infused Brand:** Captured property's opportunity to carve unique space in crowded industry, using organizational "why" and fundamental sense of authenticity to reframe brand.
- **Brand-Aligned Hotel Design:** Infused new knowledge of organizational brand into critical capital upgrades, guiding revamps with vision for cultivated customer experience.

Clients include: Atomic Elevator, QI, Boehringer Ingelheim, Goldman Sachs, Indeed, Crescent Hotel Management
