

BIAH ABM Workshop April 14- 15, 2025

Customer Journey by Segment								
Customer Journey		Unaware (Point of Inspiration)	Informed (of Situation)	Explore	Aware (of Value Offering and Services)	Validate	Decision	Adoption
Connecting with SAM Account Planning	Change in environment that triggers new needs (THEM)				Value BIAH can Bring (US - FIT -PROOF)			
	Helpful Reminders	What is happening in their world that is bringing to light a shift in their approach, work, or situation that is germinating (trigger point, inflection point)	They are aware of their situation, they but they may not know or understand the ripple effect of their new state.	They are starting to explore options, educate themselves, they start hearing, seeing things they haven't before. Understanding where they go for information, understanding how they are influenced can jump start how you understand them.	They are aware of your product and your competitors. They still exploring and researching, but now in a different way than before.	They could be weigh options, offerings, price, customer service, reason to believe.	Decision point- this could mean decision to bring to others for vetting, negotiating price, asking for a options.	They move from prospect to customer to fan.
