What is Account Based Marketing

Customer Led, Team Enabled, A story of customer intimacy

- From Marketing led, Sales enabled to Customer Led; Team Enabled
SAM orchestrate and marketing amplifies
- Bringing the whole team at the table.
ABM is a team sport.
- Team integration and forward thinking aligns mindset and ways of working of SAM and ABM from collaboration to integration.
- Business transformation and mindset change to drive cultural shift and outside-in mindset.

The evolution of ABM
From what worked before to future proofed

Marketing	ABM	Next Generation ABM
- Inside out - product focused - Features and benefit - Focused on large audience - Generalist approach - Fixed solutions - Based on messaging and transactional sales approach	1 to 1 deployment marketing still inside out - Products to campaign - One Step closer to personalization, but still misses the mark - Focused on how we want to sell - Some collaboration in the delivery of the marketing campaign - Largely technology enablement	- Outside in - Focused on precise personas / accounts - Agile & scalable - Personalised solutions, & communication content - Based on and targeted to customer needs and focal points

Notes

Account Intimacy

How to be strategic to your accounts ?

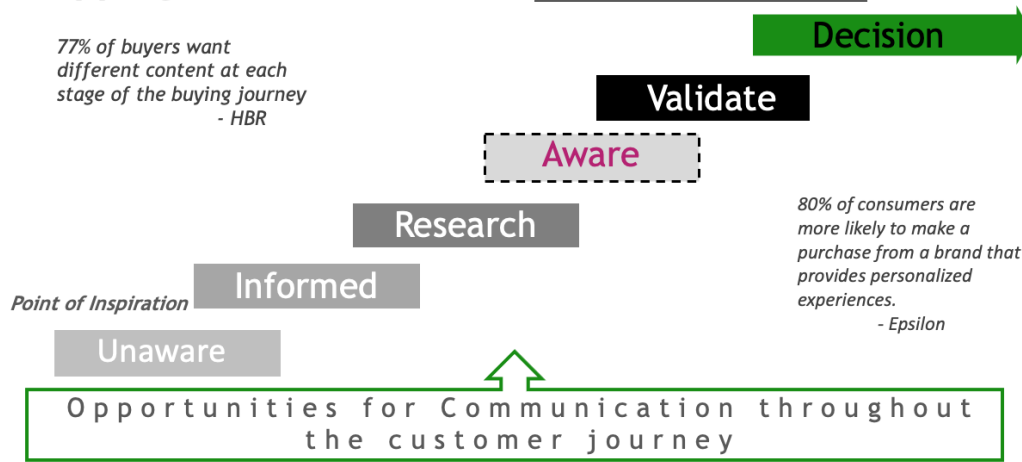

While your customer may be strategic to you,

the **only thing** that matters is if **you** are strategic to **them**.

What Customer-Centric Marketing Creates

Personalization

- Simplify messaging to connect with less tech-focused audiences.
- Focus on ease of adoption
- Emphasize practical, tangible benefits.

Community Building

- Foster inclusivity by creating forums,
- Establish user groups
- Share success stories that connect BIAL brand with all users.

Customization

- Provide modular solutions that connect with SMEs
- Also, connect with non-technical departments in larger organizations.

Mapping the Customer Journey- Pre work

Mapping the Customer Journey - Alignment from the prework Persona

- 1 Exchange in your teams group on your Account Personas and your pre work reflection
- 2 Capture ideas/ reflection align on your poster as you may need to come back to it in next activities
- 3 Select/ align on 1 persona ?
 - Describe your account persona profile
 - Think about their goals and aspirations?
- 4 **When ready, put the persona on your poster**
We will debrief and ask one of the team to present

Most Valuable Segment - Persona Profile

What does your customer feel / think at each point of the customer journey.

Notes

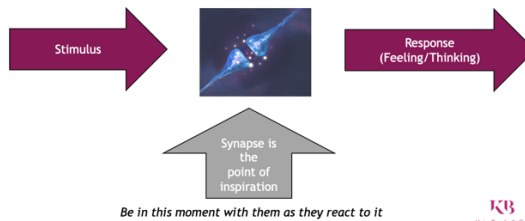

Building Exercise

Persona
Inspiration - Unaware

Customer journey to the customer - Inspiration

- The moment between the stimulus & response

Notes

3- Mapping the Customer Journey

The Value of the Point of Inspiration Unaware - Aware vs. Research - Informed

Notes

Building Exercise

Point of Inspiration
Unaware - Informed

**Mapping the Customer Journey
from the prework
Point of Inspiration**

- 1

 With your selected person in mind
- 2

 Look at the aware and informed steps
 - What do they need to do?
 - What could be the triggers for your customers from Unaware to informed- i.e.: What are they Thinking/ Feeling ?
- 3

 Capture on your poster
 We will debrief and ask one of the team to present

Mapping the Customer Journey :

Group Breakout

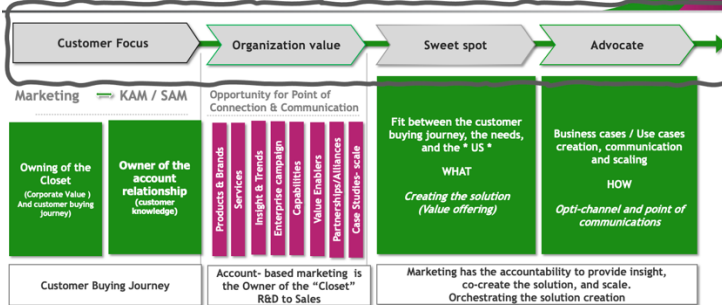

Customer Journey by Segment				
Explore	Assess (of Value Offering and Service)	Validate	Decision	Adoption
Value Model can Bring (US - FIT - PROOF)				
They are starting to explore options, seeking themselves, they start learning, moving things that move a before - understanding where they are for information, understanding how they are informed can help them how you understand them.	They are aware of your product and your competitors. They start exploring and researching, but how do in different way than before.	They could be worth options, offerings, price, customer service, reason to believe.	Decision point: this could mean decision to bring in others for testing, negotiating price, asking for a option.	They move from prospect to customer to fan.

- 1 In your group, map your customer's journey based on your persona from research to Decision. Move from left to right.
- 2 Complete the 1st line : The customer journey
Think about – what is your persona feeling or thinking for each phase.
**After the unaware and informed you just completed*
- 3 We will debrief and ask one of the team to present his customer journey

Marketing's role in the SAM Integrated Journey (COSA)

Notes

Customer Journey to the Customer Focus/Careabouts

What the Customer is feeling / thinking at THAT POINT OF THE JOURNEY

Focal Point

This is done at each stage of the Customer Journey

COSA - Mapping the customer journey careabouts

Group Breakout

- 1 In your group, map your customer's journey careabouts – Customer focus line
- 2 Complete the 2nd level
The Customer Focus level
Go from emotion to pragmatic
Customer careabouts
- 3 We will debrief and ask one of the team to present his customer journey

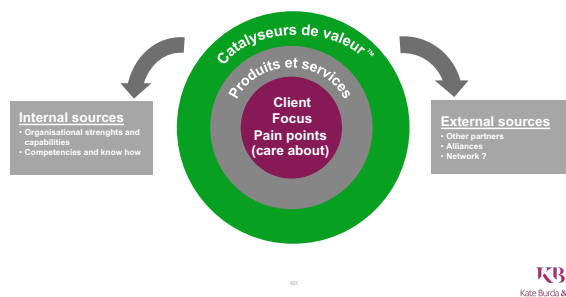

Organizational Value

Notes

What are Value enablers ?

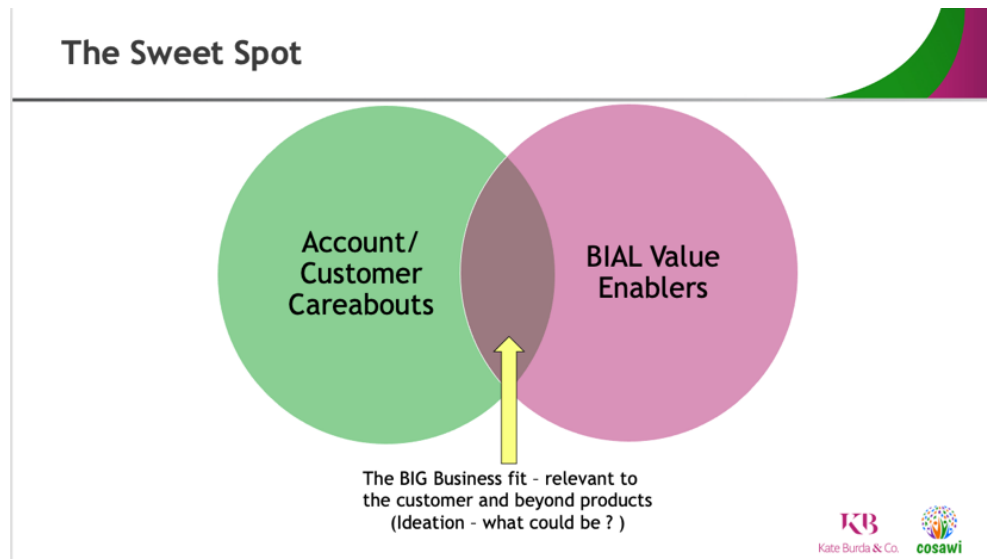

Organizational Value - What do we have in the closet

Group Breakout :

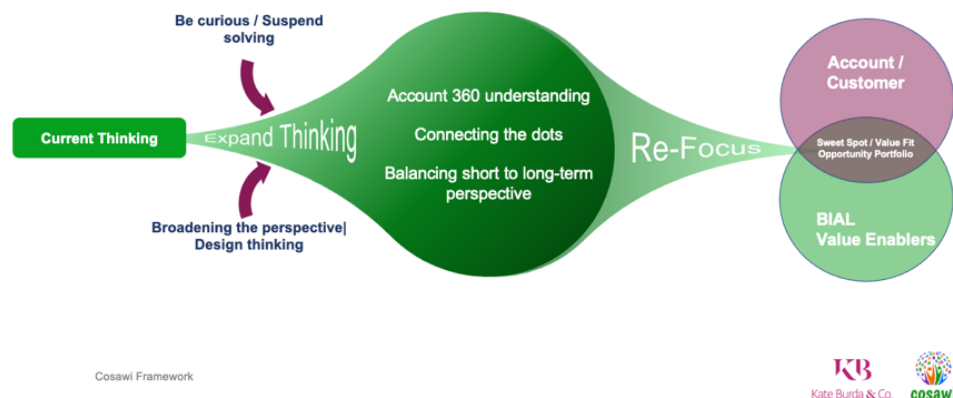

- 1 Go to your poster and as a team thinking of your account and personas – fill the organizational value line
For each customer journey step- what do you have that can contribute to the careabout of your persona
- 2 Have a spoke person to scribe and be ready to share for the debrief

The Sweet Spot

Sweet spot - how to get to the BIG FIT

CUSTOMER FOCUS

Key lessons that I have learned?

One thing that I will do apply or do differently?

We believe in the chaos theory.

A small action can create a point of inflection and brilliance.

You don't have to go it alone.
