Framework Works!

Value Creation Framework

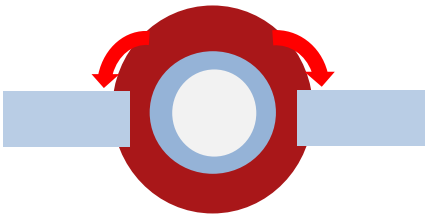

Value Proposition

Customer Compass

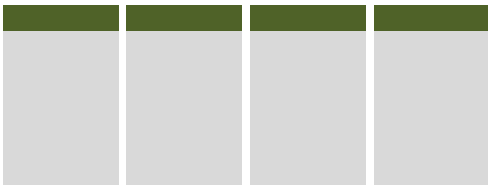

Value-Enabled™ Solutions

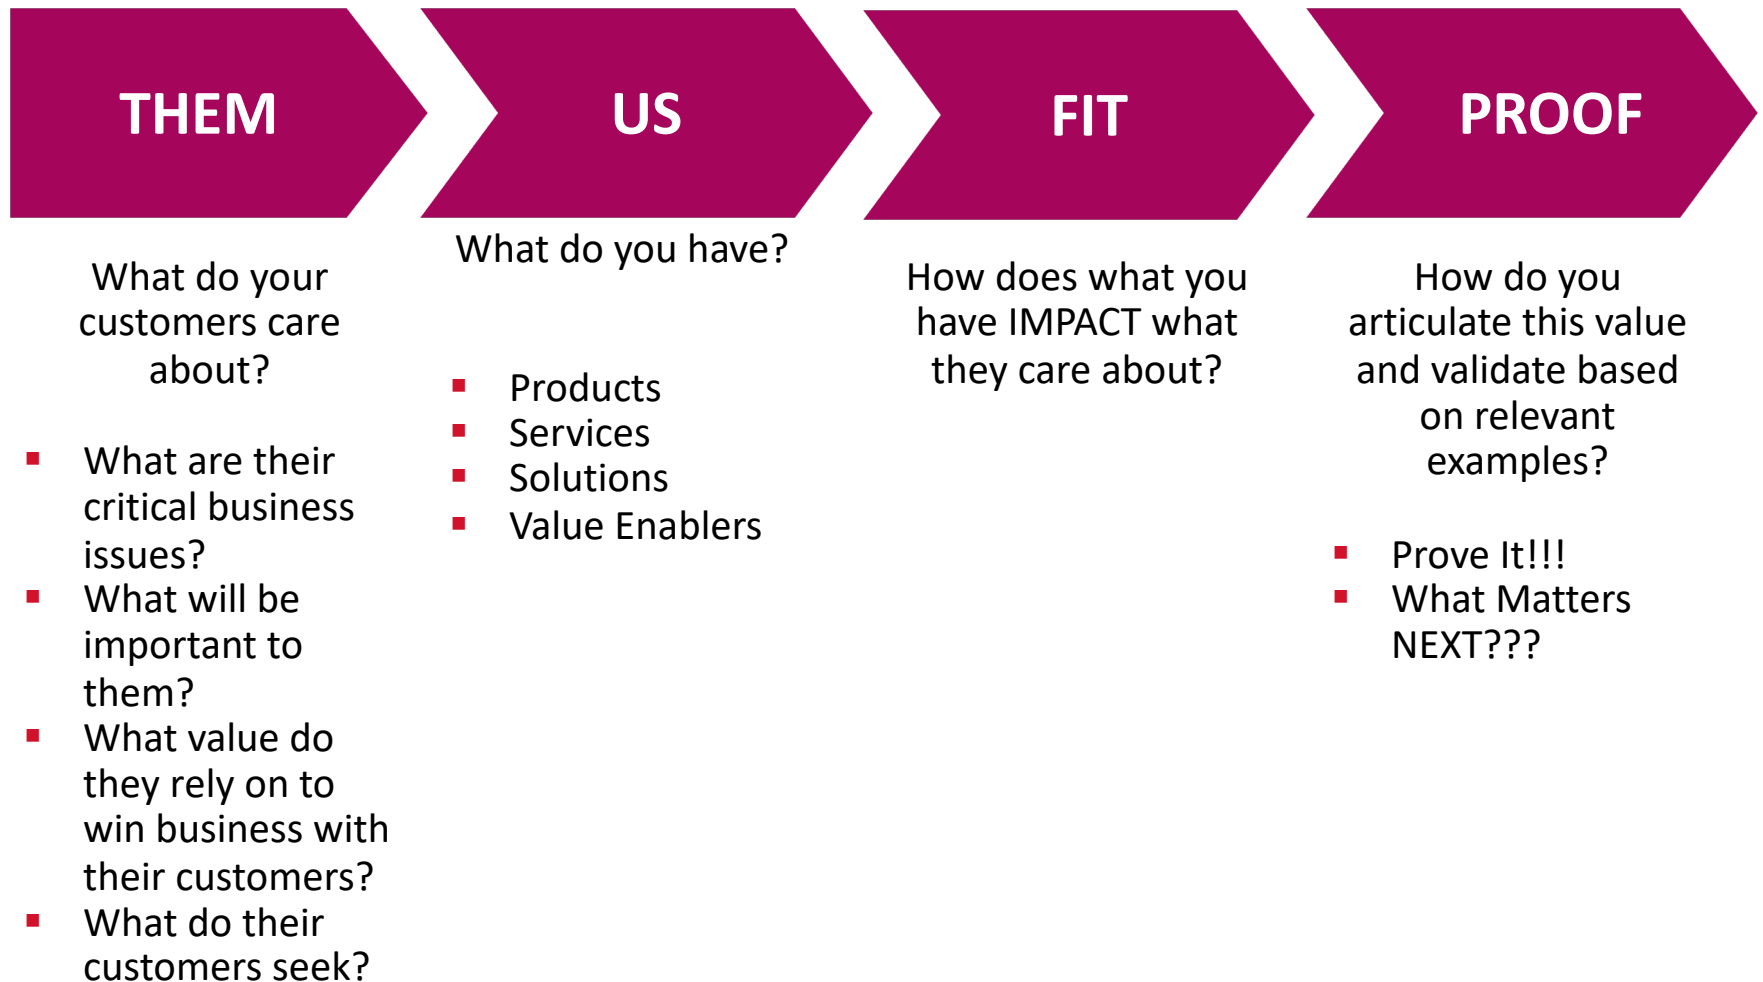

Third Box Thinking

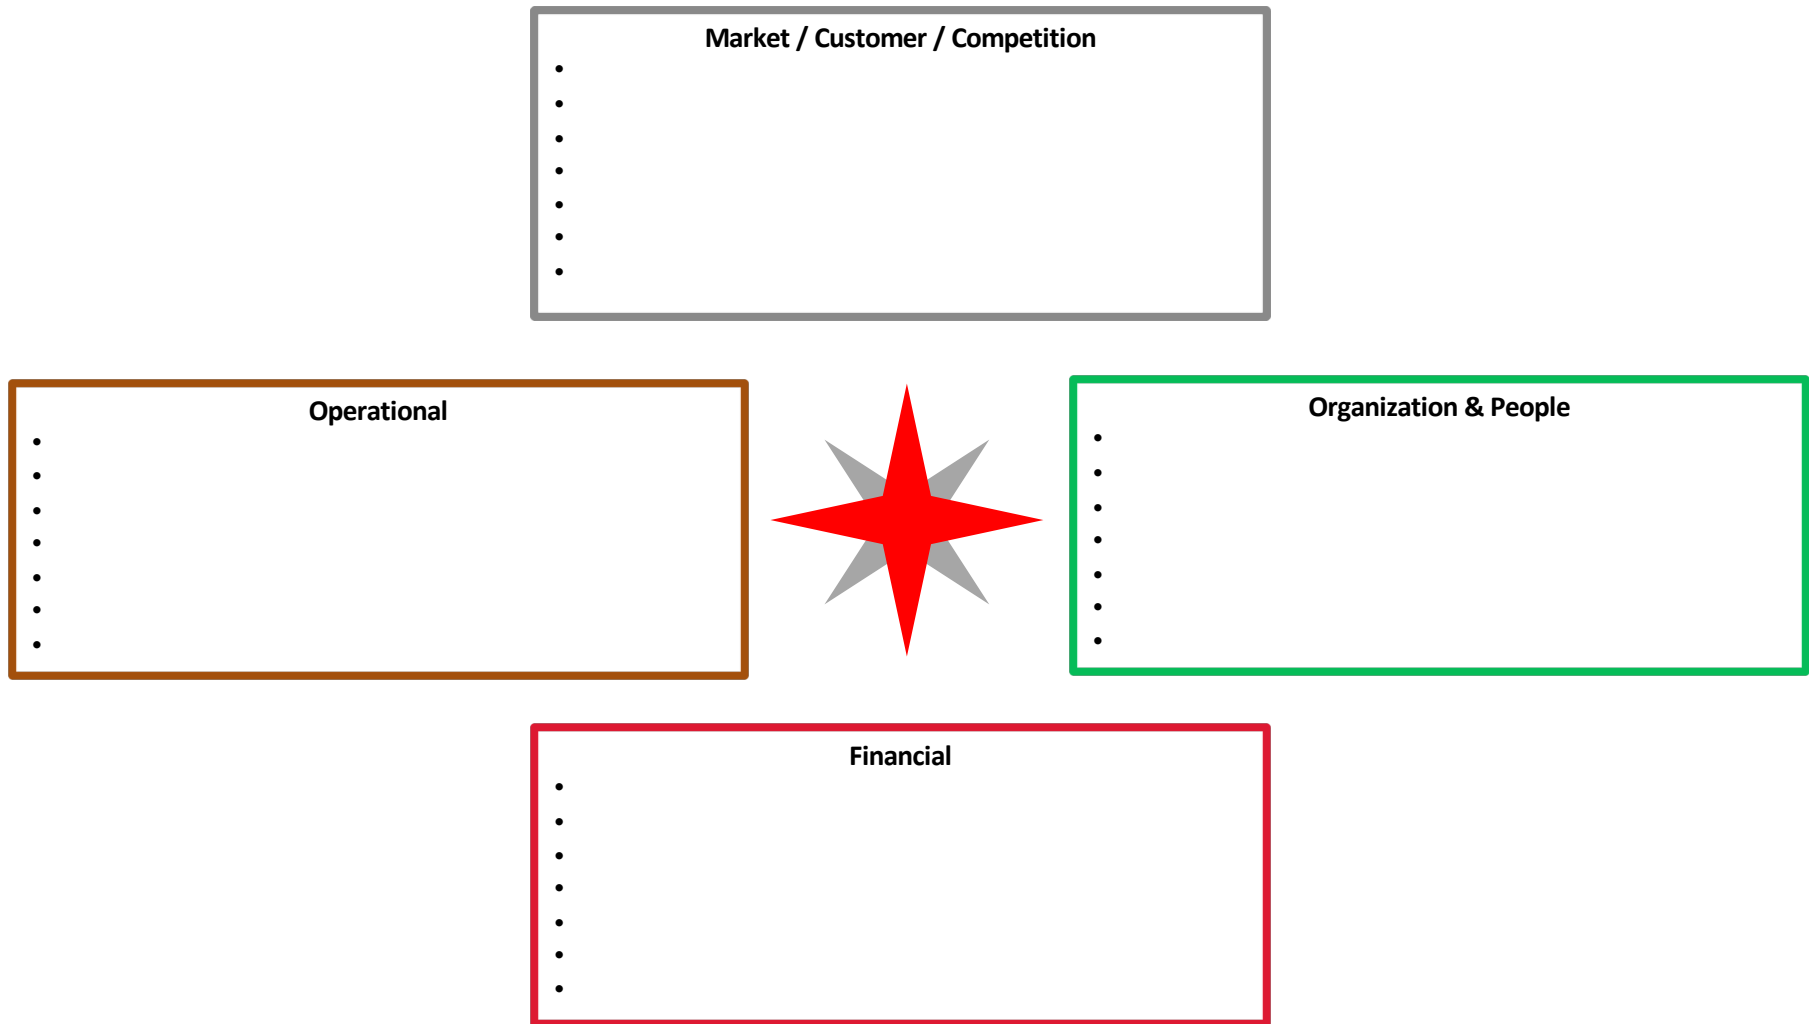

Careabouts™

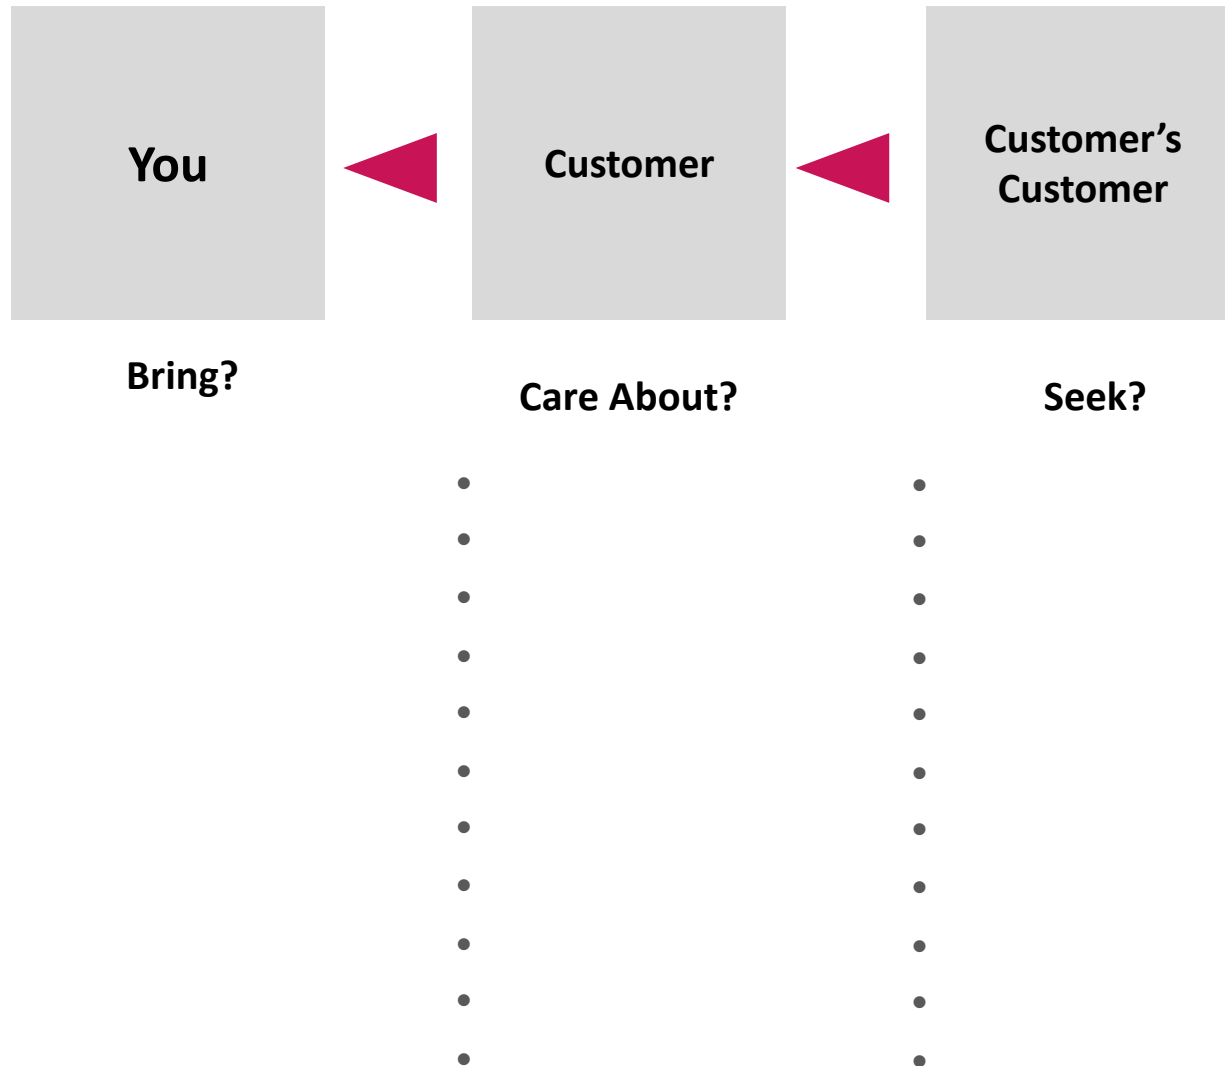

Principle 1 – Value Creation Thought Framework

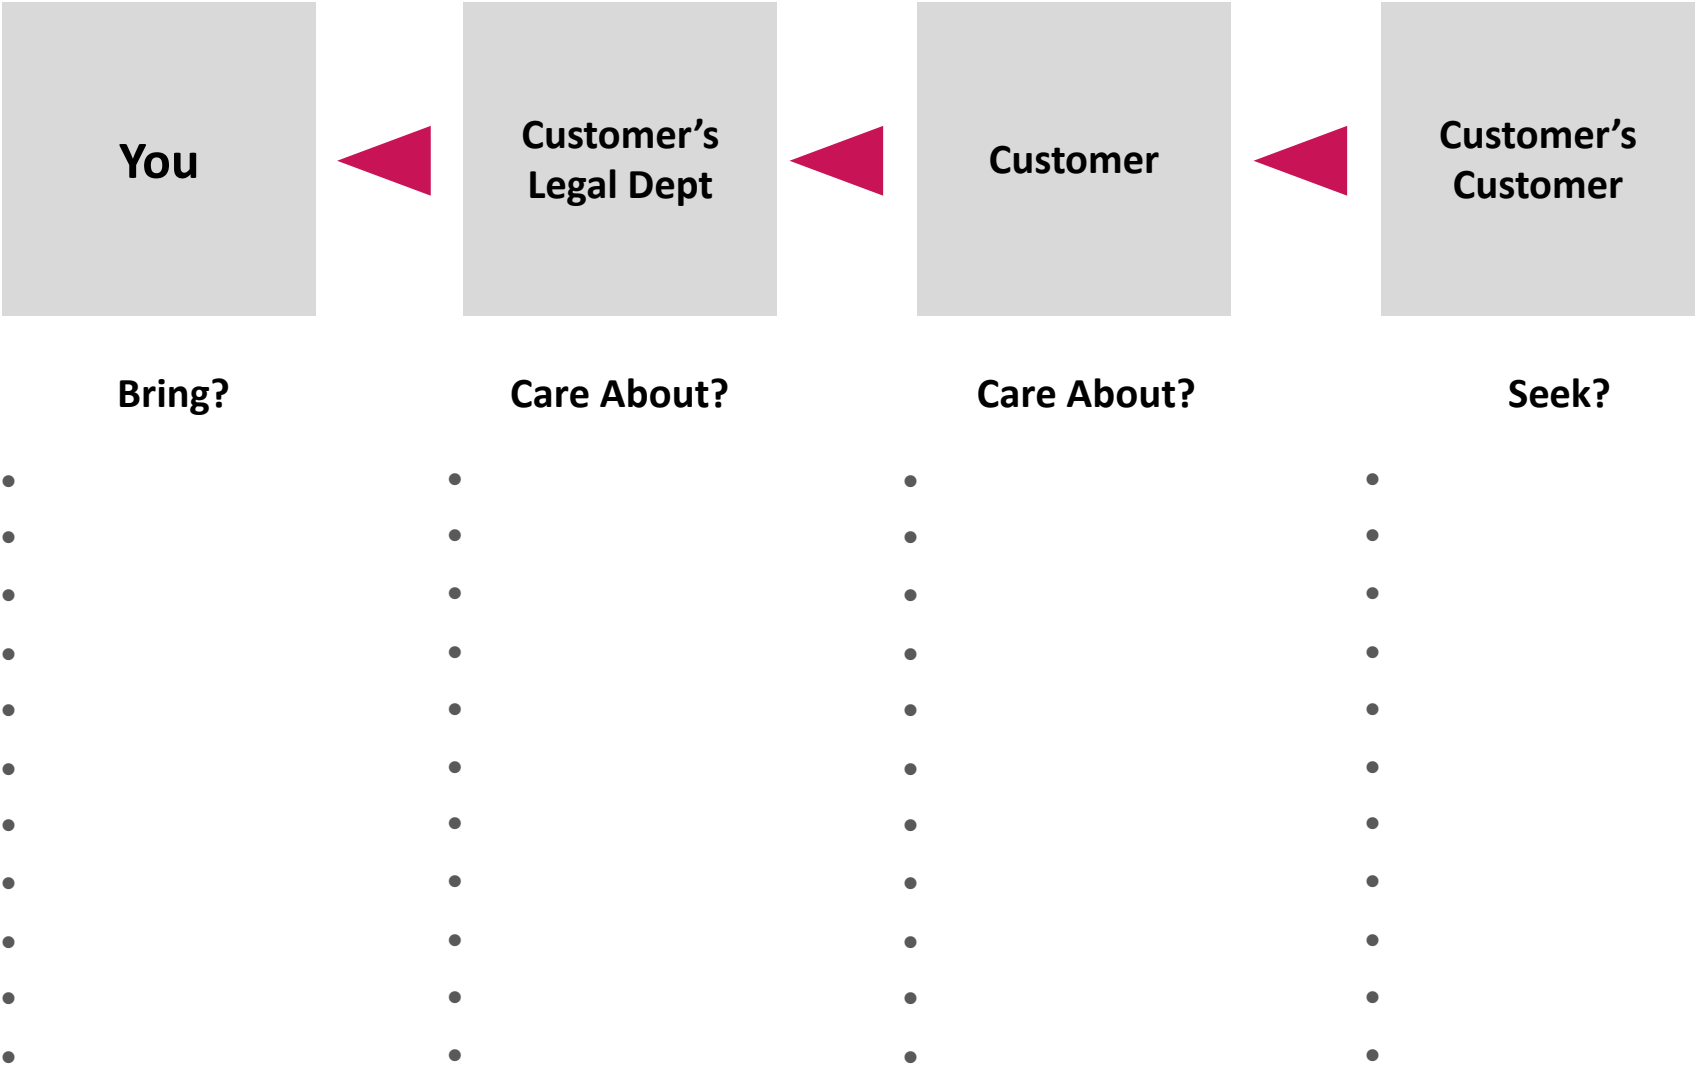

Principle 2- Customer NavScreen

Principle 3- Third Box Thinking™

Principle 3- Third Box Thinking™

Principle 4- Careabouts

Customer Careabouts WHAT?	WHY Is This a Problem/Priority?	What Are They DOING About This Issue?	WHO Has Responsibility for It?

Principle 5- Value Hypothesis

What do they care about? THEM	What do you have? How are you different? US	Impact FIT	Where have you done this before? PROOF

- Identify customer issues
- What could you potentially offer?
- Describe impact in 1-3 word phrases
- Prioritize and order the impact phrases

Crafting Your Value Hypothesis

Knowing your focus on...

We can help you with...
