WHAT YOU CARE ABOUT...

- Building out the "Revenue Trifecta" Marketing is the last of the piece of the commercial puzzle.
- Marketing structure that starts at the foundational level and builds to a more evolved state (Crawl, Walk, Run).
- Get things done, while we are building the structure. (Build the plane in flight).
- Leveraging what Kalibri already has within thought-leadership, brand, and core areas to a programmatic way to enable sales and client services.

WHAT YOU GET...

- *'Vision-to-Value' roadmap focused on revenue outcomes attached to marketing strategy.*
- *Proven and Pragmatic Approach in a go-to-market strategy.*
- *Build the foundation and beyond, "Know me, Show me, Grow me"*
- *Depth and Expertise in the core areas of marketing:*
 - *Brand*
 - *Awareness*
 - *Targeted*

SO YOU CAN...

- Sales enablement
- Reduce churn
- Have a marketing roadmap that is aligned to your strategic plan, vision, and principles.
- Build the foundation, yet get rolling on initiatives quickly.

The Marketing Workstreams

Looking both internally and externally at:

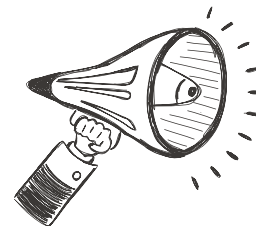

BRAND

Takes a look at your brand, how it is positioned, the competitive landscape, and the white space. We look at voice of customer, Kalibri's differentiator and overall tone of marketing communications.

**BRAND
IDENTITY**

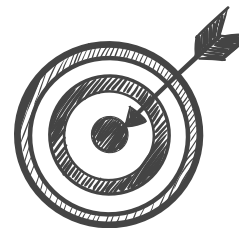

AWARENESS

Creating overall brand awareness through multiple channels focusing on how do we create awareness with the customers that mean the most to us given our strategic plan

TARGETED

Segmenting and understanding your business to have targeted and effective communications. Adopting customer buying journey information to look at how Kalibri connects to those that mean the most to your business.

**Vision-to-
Value
Roadmap**

We take the noise, disruption, frustration and complexity of the new economy and bring you a clear, concise and simple path for you to get results.

*Bringing Simplicity
to Your Complexity*

Strategic Engagement Pathway

2- Building the Future State

Creating the future state and what needs to be done to get you there

4- Drive & Sustain

Sustainability and future planning, elimination of churn and other SaaS variables

1- Current State – Discovery & Analysis

A deep dive into the current state that looks at; what is working, what needs to be left behind, and what needs to be built

3- Install, Enhance & Elevate

Let's go to work!

5- Measure & Equip

Measurement of results, KPI's, readjusting and moving to the next level

Investment for Performance

- The table represents the work that is being done, the deliverables, timeframe, and the investment for the first phase of “Current State”.
- This provides an example of work done in similar projects will be adjusted and modified for Kalibri and will be outlined specifically within the scope of work.

Investment for Performance			
Work Streams	Description & Deliverables	Investment	Timeline
Current State	<i>Deep Dive Discovery</i> Team, Operations, and Approach ◆ Interviews with the 'Critical Crowd' ◆ Review of Strategic Plan ◆ Client segmentation, Voice of Customer ◆ Sales Process, Systems, and Approach Brand ◆ Understanding of Brand positioning, vision, principles ◆ Review of competitive landscape, differentiator, voice of brand, voice of customer, marketing Awareness ◆ Review of online presence and website ◆ Review of content , testimonials ◆ Review of thought leadership library and points of leverage Targeted Marketing (Account-Based Marketing) ◆ Customer Journey of Most Valuable Customers ◆ Customer Journey of Aspirational Customers <i>Deliverables:</i> ⇒ Insights, Outcomes, and Recommendations		3- 4 weeks
		\$6500 - \$7500	

Investment for Performance (cont.)

Building the Future State	Design and Develop: ◆ Design and Develop Roadmap that includes: - Workstreams, Detail of Output, resources needed, systems. - Internal time commitments Deliverables: ⇒ Vision-to-Value Roadmap	2-3 weeks
		\$15,000 - \$17,000

- The corresponding table represents the the cost of ‘Building the Future State’ / Vision-to-Value roadmap
- This cost can shift depending on the scope of work. This cost is representative of the illustrative on the preceding page.

If Kalibri moves forward with Kate & Co for the remainder of engagement a 10% of the initial investment will be applied.

Who we are

& Experience is at the core

Kate brings 28+ years' experience leading and transforming commercial teams within national and multi-national companies. Notable accomplishments:

- Experience leading transformation, design, and delivery from branding, to revenue performance.
- Increased revenue for Full-Service, Select, Extended Stay, Brand and Franchise hotel properties including: Marriott, Loew's, Independent Hotels, IHG, Hyatt and Starwood, CSM, American Residential Properties and more.
- Lead revenue transformation within B2B companies, such as; Ricoh, Boehringer Ingelheim, Medtronic, Johnson & Johnson, and Indeed.
- Headed long-running strategies with start-ups, growth acquisition, market shifts, downturns and disposition.
- Developed marketing programs to infuse emerging markets and media into sales opportunities.
- Led acquisitions revenue through the full lifecycle: due diligence to exit strategy.
- Professor at Fairleigh Dickenson for Revenue Management and Distribution Systems, Global Marketing, and Digital Marketing.
- Board member at Boutique and Lifestyle Lodging Association (BLLA), Member and Vendor with Strategic Account Management Association (SAMA)
- An active member of Women Owned Businesses (WBENC).
- Active member at ISHC, Marketing Committee Member
- Is fanatical about bringing clarity to build their future and build connection to customers to be better than they were before.
