STUDENT/PARENT/GUARDIAN

Policies and Procedures

ATTENDANCE

All student paperwork must be submitted before students can participate in any Foundation programs.

- Please arrive on time for the group - no more than 5 minutes early. If a student comes more than 5 minutes before group time, they must remain in the vehicle with their parent/guardian. **No student, family, or friend may be unsupervised before or after group time.** If a student is going to be more than 15 minutes late, please inform the Program Director.
- Parents/guardians must sign their students in and out each time they attend.
- Please email info@flyinghorsefoundation.org or use Acuity/Squarespace Scheduling reminder emails to report any upcoming absences.
- After consistent unexcused/non-communication no-shows, Flying Horse Foundation (FHF) reserves the right to suspend program participation.

ATTIRE

Flying Horse Foundation staff will strictly enforce this dress code. While we agree with an individual's right to expression, due to the nature of our work and to the trauma many of our students have experienced, this dress code is essential for students to feel safe in this setting. Anyone who comes in clothing not following the established dress code will be asked to change and offered other clothing, if available. If the student refuses to change their clothing, they may be asked to leave for the day and return the following week dressed in compliance with the code.

No student will ever mount a horse without a helmet.

LONG PANTS ARE REQUIRED:

- Students must wear long pants, close-toed shoes, and layers (due to frequent changes in weather) for participation in the program. If a student is wearing shorts, they may not participate in a horse-mounted activity due to potential pinching of the skin from tack and increased contact with horsehair and fly spray, which may increase the risk of allergic reactions.

SHIRTS/TOPS:

- All shirts/tops must be long enough to cover the stomach completely.
- The shirt neckline cannot be lower than a hands width from the base of the neck.
- Tank top straps must be three fingers wide, or a shirt is worn over it.

FOOTWEAR:

- Must wear boots with $\frac{1}{2}$ " to 1" heel (can be borrowed).
- Must wear socks with boots to avoid blisters and for sanitation.

FOR EQUINE-ASSISTED LEARNING (EAL): If a student requires an extended period of absence, we cannot guarantee placement back into their original group but will do our best to accommodate them upon return.
