

Where You Win | Profitable Growth

1 Science & Strategy

“Our targets are increasing, but we keep doing the same thing?”

Who we hunt

IGNITE

4 Revenue Performance & Metrics

“We have a lot of reporting, but does it show how or if we are doing better?”

How we measure

2 Process & Customer Engagement

“Are we showing up relevant to our customers? How do we not become commoditized?”

How we hunt

CONNECT ABM PROGRAM

3 Art & Talent Optimization

“We have to develop our people. We can’t afford the cost of turnover and talent is hard to find.”

How we develop

Where You Win | Science & Strategy

Who we hunt

“Our targets are increasing, but we keep doing the same thing?”

IGNITE

WHAT WE HEAR

- Teams have difficulty building strategy to financial goals

WHERE WE FOCUS

Data driven roadmap ensuring financial results

Profitable Segmentation

Cost of Acquisition

Integrated Strategy

Alignment of goals & tactics

Where You Win | Process & Customer Engagement

How we hunt

“Are we showing up relevant to our customers? How do we not become commoditized?”

CONNECT ABM PROGRAM

WHAT WE HEAR

- Legacy processes don't work today
- Disciplines are siloed and focused on how we sell vs. how customers buy

WHERE WE FOCUS

Relevant Sales Approach

Marketing Enablement

Customer Buying Journey
Enablement

Optimized Total Revenue
Management

Where You Win | Art & Talent Optimization

How we develop

“We have to develop our people. We can’t afford the cost of turnover and talent is hard to find.”

IGNITE TALENT

WHAT WE HEAR

- How to build skills and competencies within teams and leaders
- Performance plans for revenue teams built off operational mindset

WHERE WE FOCUS

Build Performance

Development Path

Where You Win | Revenue Performance & Metrics

How we measure

“We have a lot of reporting, but does it show how or if we are doing better?”

WHAT WE HEAR

- Having the right metric for the right outcome
- How do we separate the performance of our people to that of the market, “wheat from the chaff”

WHERE WE FOCUS

Metric Development & Benchmarking	Distribution Performance
NOI	ROI
CRM and Reporting
